1 and

2 (3) examine and make recommendations concerning career
3 and technical education offerings.

4 The state board shall take action concerning the recommendations
5 before December 1, 2015.

6 (d) The career council shall appoint a subcommittee to develop
7 the requirements for the career and technical education diploma
8 required by subsection (c). The career council shall designate a
9 member to serve as chairperson of the subcommittee. The
10 subcommittee is composed of at least fourteen (14) members,
11 including the following:

12 (1) One (1) member from each council.

13 (2) One (1) member who is a director of high school career
14 and technical education programs, who shall serve as vice
15 chairperson of the subcommittee.

16 (3) One (1) member who is employed by the department and
17 whose job duties include career and technical education
18 curricula development.

19 (4) One (1) member representing the state's community
20 college system.

21 (5) One (1) member representing the state's industrial
22 community.

23 (6) One (1) member representing the commission for higher
24 education.

25 (e) In performing its duties under subsection (d), the
26 subcommittee shall obtain, in the manner and to the extent the
27 subcommittee determines appropriate, input from licensed
28 mathematics and English/language arts educators in Indiana.

29 (f) The subcommittee may design new curricula or create new
30 courses in completing the recommendations required by subsection
31 (c). A curriculum or course developed under this subsection must
32 include input from representatives of:

33 (1) high school career and technical education programs;

34 (2) licensed mathematics and English/language arts
35 educators;

36 (3) community colleges; and

37 (4) universities.

38 (g) The requirements for a diploma developed under this section
39 must:

40 (1) require a minimum of forty (40) academic credits or the
41 equivalent for graduation;

42 (2) be designed so that completed courses may be used to

1 fulfill the requirements established for other high school
 2 diplomas approved by the state board; and
 3 (3) meet the college and career readiness education standards
 4 adopted by the state board under IC 20-19-2-14.5(c).

5 (h) Before the state board may take action on the
 6 recommendations made under subsection (c), the state board shall
 7 consult with and receive recommendations from the career council
 8 and the commission for higher education. Based upon the
 9 recommendations of the subcommittee, career council, and the
 10 commission for higher education, the state board may approve a
 11 career and technical education diploma or change the
 12 requirements for a Core 40 diploma.
